Hey
Birungi

You deserve all the happiness today and always, your presence brightens up my world and our connection means the world to me i can not imagine my life without a person like you with your loving heart in my life.....

You're the missing piece i never knew i needed in my life our paths crossing was a fate.

cheers to another year of chasing your dreams just know your potential is limitless....you're stronger than you think keep shining your greatness is contagious

Am wishing an extra ordinary person an unforgettable day happy special day to someone who makes a difference

Grateful for the positive influence you have brought into my life your courageous words. , time...i can't say it all i may spend a day narrating one by one

i cant thank you enough just know u owe me alot

words can't say it all trust me on that but you hold a biggest part in my heart

I look forward to many more birthdays together basking in the glow of our prensence and creating new memories.....

may this day be as handsome as you are

HAPPY BIRTHDAY MY BIRUNGI

much love

DESCRIPTIONS

FAST FOOD MENU

The problem i wanted to solve-the menu had too many items making it difficult for customers to find quickly what they want

Process - I conducted food analysis to identify the most top selling items
categorized menu items for example burgers, sandwiches, chips
Designed a clear and concise menu layout making it easier for customers to navigate

Goal achieved: Simplified menu layout ,making it easier for customers to navigate

POSTERS FOR VOTING

Problem- i need to create a visually appealing layout that would grab the viewers attention and effectively communicate my message

Process- I selected the right image of me to be used
compelling message in a way that i need to write clear message
meeting printing requirements like the color of the political party
i selected and i decided to make posters of the two political parties that are well known

Goal achieved- I made a professional poster of me by designing an effective layout selecting a great image to show case my personality and platform

A DANCE COMPETITION FLIER

The problem -the flier needed to capture attention of the viewer inorder to attend the dance night

Process-Conducted research on the eye catching images
I designed the flier and put different text types
I added the word "new " to attract the reader's eye

Goal achieved - I increased awareness and interest in my work

NEWS PAPER

I wanted to solve a problem of organising content

Process- i determined the content that would appeal to the viewer and i choose our President
categorized content into sections
created a grid system to structure the lay out

Goal achieved- created a clear and not congested newspaper

SIGN POST

Problem-Designing an eye catching sign post

Process- Determined the perfect way to provide directions
Designed a clear concise directional element in a way that i used an arrow
Ensured that the direction element is visible

Goal achieved - created a sign post that effectively directs people

FOOD POSTER

Problem- communicating key information

Process - Gathered key information about food and images to use
Designed a clear and easy to read poster
Used headings and food provided at campus

Goal achieved - Created a poster that effectively communicates key information
